Half Term Monday 17th February—Friday 21st February

Cheques should be made payable to St Marks Primary School , Netball, Football, Running Club, and Coding Club. Please ensure that payment is the correct amount and placed in a **sealed, named envelope.**

Unfortunately due to After School Provision using the hall, we are running less other After School Club this term due to the unpredictable weather and lack of internal space.

Collating numbers and names of children participating in each activity is a huge job. Please return a separate copy of the Consent Form for each child, with your child's name, class and year group on it, highlighting each club or clubs that your son/daughter would like to join. Decisions on final numbers have to be made and this can involve the cancellation of some activities if not enough children sign up.

Please ensure that you sign at the Consent Form, in the space provided, to show parental consent for your child's participation. This will be valid for all clubs.

Could I please take this opportunity to remind parents and children that signing up for a club is a commitment. If your son/daughter wishes to attend an extra-curricular activity then they must make every effort to attend each week. A lot of people willingly give up their time to run these sessions and it is most disheartening to see numbers dwindle as the term goes on. Please be responsible for notifying the adult organiser in advance if your son/daughter cannot attend one week for any reason.

It is sometimes evident from a child's behavior that they are not enjoying a particular club. By signing your child up for a club you are also agreeing that they will behave appropriately at all times and follow instructions. We have to put the safety of all the children first and this must not be compromised by any individual who chooses not to articulate sensibly.
