

Kidslingo Lunch Time Language Clubs at St Mark's

Our popular Spanish (KS2) and French (EYFS & KS1) lunch time clubs are now taking new bookings for the next 6-week half-term block. We have a few places available in our clubs that have proven very popular with the children over the last term. Existing customers will be automatically re-enrolled.

Kidslingo is a multi-award winning language franchise aiming to inspire young children to love languages from the very start of their language learning journeys. Working with schools, nurseries, in community venues, private homes and online, Kidslingo is a passionate believer in exposing children to languages from a young age.

Classes offer quality, fun-filled language learning taught through music, movement, singing, signs, story-telling, role play and so much more. In addition, all classes are developed to be fully aligned to the National Curriculum Languages Programmes of Study. Kidslingo Horsham & Haywards Heath is in the unique position of being able to deliver each weekly lesson by a qualified Primary school teacher and language specialist.

As well as regularly winning many awards including the What's On 4 Kids Awards, UK's Most Loved Creative or Academic Activity, Kidslingo are proud members of, and 5 star gold accredited by, the Children's Activities Association which promotes high standards in children's classes across the UK. Kidslingo were the first kids' language franchise to achieve 5-star gold accreditation and continue to be an active member.

Learning a new language provides young children with a wealth of cognitive, social, and emotional benefits that contribute to their overall mental health and well-being.

Each half hour session costs £6 per week per child payable in advance for a half-term block of 6 weeks (£36 in total). Separate classes are held for children in KS2 and KS1 & Reception to ensure teaching is age appropriate and engaging.

To book, use the following links or email Charmaine.davis@kidslingo.co.uk for more information or visit our websites
